

CRAIG CHRONICLE

LENT TERM 2021

The picture at the top was not an attempt to form a boy band for CHAPS. It was the only photo I took on Monday 4 January. Since then the boys have only had 10 physical teaching days and once again had to adapt to virtual learning. This term seems to have flown by with so little physical school but the boys have shown incredible resilience to battle through it. Not all of them enjoyed it as much as others and some will have found it hard to return. But the spirit of Craig was alive again for the final two weeks and this newsletter will capture some of the highlights of the whole term.

ACADEMIC REPORT

First of all I would like to congratulate 64 Cronkites for the way they conquered virtual learning. Their commitment to their lessons was fantastic in a very difficult environment. As a teacher I had the pupils I taught in the same room as me (on screen) and it is difficult to remember they were not physically together. The praise and Show Hsms continued to pass my desk which is testament to their efforts.

Some academic points to note this term:

Cameron Wallace– Carville C13 went through the gruelling Oxbridge application process.

Freddie Bobbin C12 entered the Maths Olympiad at Advanced Level trying to gain a position on the national team.

Struan Dunlop C10 and **Oliver Shouksmith C11** entered the Linguistic Olympiad at Intermediate level.

We await the results for each category.

Thanks go to **Harry Marson C11**, **Joshua Mayhew C11**, **Freddie Bobbin C12** and **David Udegbe C11** who played for Craig in the virtual chess tournament, reaching the quarter finals.

Please take a look at the recognition of the top performers in Craig House this term. Unfortunately there is no eRC data available.

PRIZES, REWARDS AND AWARDS

Harry Byatt Prize

Harry was a Gonvillian who tragically died in a scuba diving accident. He had an unrivalled love for DT in his year group. **Guy Beddows** (right) has won this prize to support the design, development and prototyping of a steam bent and laminated stool (left) which he developed during lockdown.

Guy said:

"I hope I will do Harry proud".

Congratulations to:

Bryn Watkins (above) who has been named as the Duke of Edinburgh Ambassador.

SPORTS REPORT

A very different sports report this time round. As a house we entered the Great Escape. A special mention to **Ethan Page** and **Freddie Dunkley** who recorded the longest distances.

The school put on many physical activities during the online period and special mentions to the following leaders in their year groups for most sessions attended:

Matteo Chu—1st in Y10

Cameron Wallace-Carville—1st in Y13

Sam Bordass—2nd in Y9

In the HOME COURT app we came 4th as a house.

Harrison Garton in Y9 has the 3rd fastest reactions recorded on it out of all boys in the College.

Hugo Askaroff has been selected to be the Eastbourne College 1st XI Hockey captain.

Leon Wood was selected to be the 1st XV Rugby Captain. Can we make it a clean sweep with cricket next term?

SIMON GREEN CUP FOR ENDEAVOUR

Matteo Chu was prolific in his engagement with the online sport and exercise sessions and completed more sessions than any other pupil in his year group. Matteo is the joint winner of the Simon Green Cup for Endeavour. It is particularly impressive because this award normally goes to a Y13 pupil and Matteo is in Y10.

This terms joint winner of the Simon Green Cup for Endeavour is :

Matteo Chu

Well done, Matteo
From all in Craig House.

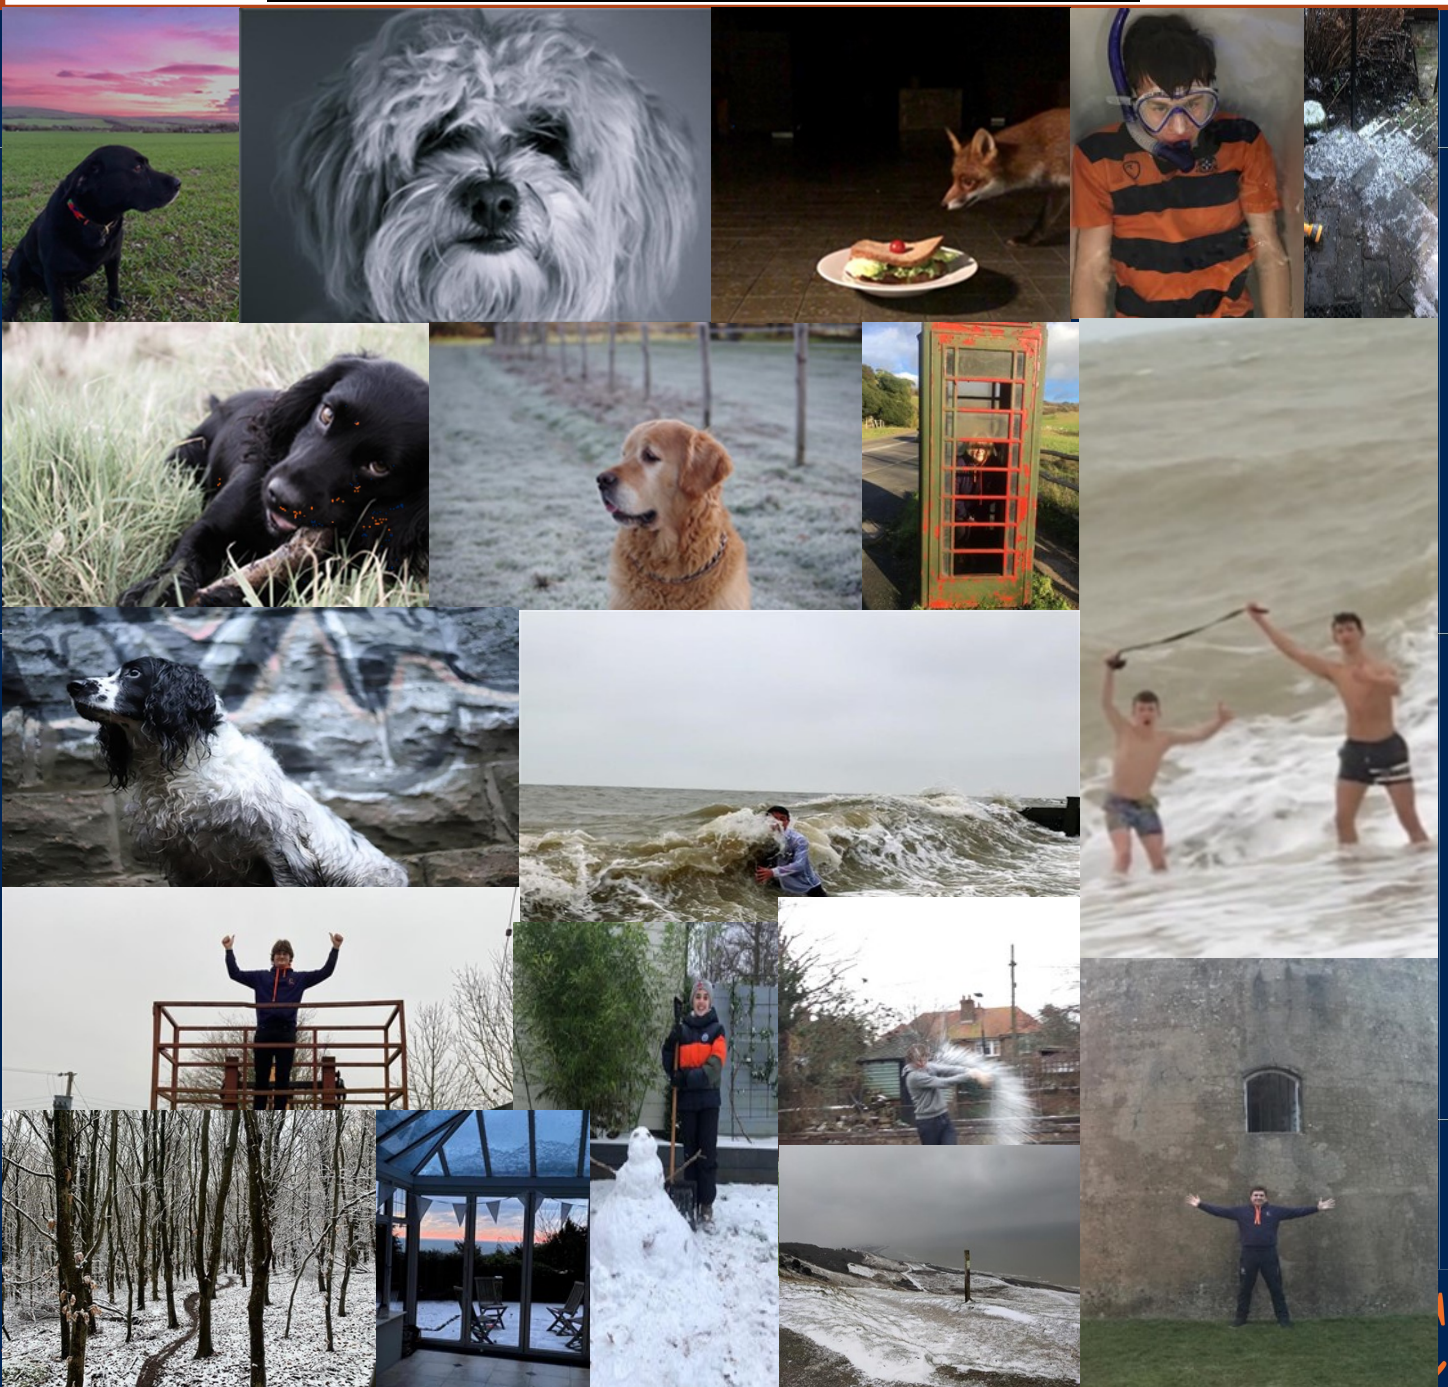

SOCIAL REPORT

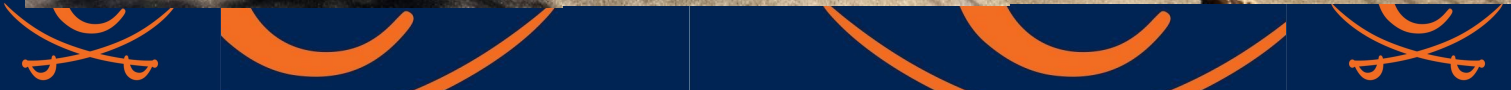

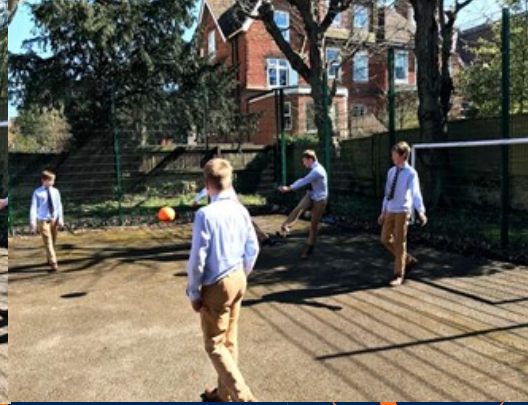

Another term where there has been very little physical socialising. My thanks go to Head of House Scott Williams, Deputy Head of House Joshua Veitch and House Prefects; Jimbo Culme-Seymour and Arthur Lewis for their weekly competitions. We had animal photography, trick shot videos, snowy photos and a photo in an unusual place in a Craig shirt/uniform/tie!
