

Uniform Plea

In a nutshell, no suede shoes, and skirts must touch the knee cap (all years). If in doubt, please purchase your suit from the school shop.

And finally...

It is with sadness that we bid farewell to the Upper Sixth, **Lia Janocha, Annika Niezold, Annika Siefke and Maia Scholz**, plus **Imogen Jenner** in Year 9 and **Camille Tripod** in Lower 6th. **Aven Dong** is transferring to Blackwater House for her final year. All have contributed greatly to the Nugent community and they will be greatly missed.

Among the tutor team, we wish Rev Mac all the best in his retirement, and, perhaps less serenely, Mr Corfield will now be tutoring up the road in Wargrave. They will be replaced by Claudine Sinnett (Director of drama) and Laura Parker (Head of academic drama) - the future certainly looks bright for Nugent drama! As well as the entire tutor team, I would like to thank **Ellie D** and her deputies **Ellie H and Adelaide**, and senior prefects **Bella, Nicole, Emily and Leskie** for all their enthusiasm and energy. Pictured below are our new Year 9s, the leavers of 2022!

I do hope that your daughter has a super summer holiday, with plenty of rest and recuperation after a long and busy year. I will leave you with a couple of quotations which your daughter may wish to ponder over the holidays:

‘Winning isn’t about finishing in first place. It isn’t about beating the others. Winning means surpassing yourself and turning your dreams into a reality’

‘The only impossible journey is the one you don’t begin’

I hope that wherever you and your daughter journey this summer, dreams will be fulfilled, experiences enjoyed and challenges overcome.

I will be in the mountains in the Alps and Mongolia, and when not, I will be chasing the sun in Nice, Venice and Whitby, but will be checking my emails from time to time. In the meantime, I thank your daughter for continuing to embrace the College’s core values of pursuit of excellence and participation.

Summer Term 2017

Dear Parent,

It is always said that the summer term is the jewel in the crown of the Eastbourne calendar, and this one has been no exception. As the sun sets on this busy and purposeful term and those exams are now a dim and distant memory, I reflect upon the great House spirit which won us the athletics, many Nugent prizes on Speech Day, a Tom Lewis prize winner for the third year running, the Victrix Ludorum for the second year running, the top Year 9 academic performance, HM commendations, successes in LAMDA, CCF, tennis and much much more.

Talent wins games, but teamwork and intelligence win championships.

Art, Music and Drama

The most recent highlight of the term was the Lower Sixth Dell play, Peter Pan, directed by **Georgia Yamall**, and starring **Talaayah Gunaydin** in the title role and newcomer to Nugent, **Camille Tripod** as Tinkerbell. Off the stage, **Talaayah** has also been awarded an honorary arts scholarship as well as half colours in drama and art—some of her exquisite art work is pictured below. In Year 11, **Charlie Chatterton** came second place in the ceramics section of the South of England Young Craftsman of the Year—Charlies' extraordinary work is opposite. **Izzy Macintosh's** painting was selected to go on display at the opening of the Nugee building. Congratulations to **Arabella Batt** and **Lucy George** for merits in Grade 5 and 6 Lamda respectively, and **Abi Disu** for distinction at Grade 6. On the same day that she was awarded best NCO, **Hannah Feben Smith** also found out she has been awarded a merit at Grade 7 piano—what a great day for her! Finally, it was an absolute joy to attend the Singer Song writer concert, hearing both **Bella Peng's** swansong and extraordinary debuts from **Olivia Jayaraj** and **Elo Quitmann**—Elo's song about younger sister Daisy ensured that there was not a dry eye in the house.

Sport

'The will to win is important—the will to prepare to win is vital'

We had an extraordinary time at the inter-house athletics yesterday, picking up the overall Best House, junior winners, with the intermediates and seniors both coming second. Thanks to victories in both shot and 100m, **Adelaide O'Connor** retained her title of Victrix Ludorum, and also gained her full colours. Hot on her heels is **Rebekah Agunede**, who mirrored these achievements exactly in the junior competition! Other wins were **Tabby McNulty** high jump and 200m, **Izzy Webb** 300m, **Lucy George** 200m, **Eliza Reynolds** shot, **Holly Fletcher-Price** javelin, **Izzy MacIntosh** high jump, **Prue Barnes** 1500, **Lizzie Turner** high jump, PLUS the Year 9 relay team and the house relay team. Congratulations to all these girls, but more importantly, to those who showed great Nugent spirit and sportsmanship by stepping up to compete in less familiar events—it was undoubtedly these 'unseen' points by the unsung heroes which added up to the overall win.

There have been some superb achievements across the term too. **Imogen Jenner** came runner up in the National Fives competition—all the more impressive given that this was an entirely new sport to her! In swimming, **Izzy Webb** broke the junior girls school's butterfly record in her first ever appearance for the College. **Rebekah Agunede** was selected to run the 100m for Sussex—her PB is tumbling with each appearance. **Amelia Baron** was awarded her Sussex hockey colours and coaches player of the season. Finally, **Imogen** and **Daisy Holden Craufurd** have enjoyed immensely successful cricket seasons with the boys U14B and U15B teams respectively. Girl power indeed!

In tennis, **Valentina Khalturina** gained a HM commendation for winning the U18 Sussex competition. We narrowly missed out on the inter-house tennis title this year, but thanks go to **Valentina**, **Prue Barnes**, **Amelia Baron**, **Annie Wilson**, **Izzy MacIntosh** and **Emily Mantle** for putting up a brave fight. **Prue** was also awarded her half colours in tennis.

Mentioned in Dispatches

Lizzie Turner, **Amelia Baron** and **Lucy Ritson** all gained HM commendations for helping to run a sporting event at the Eastbourne Sports Park.

Good luck to **Ceci Mann**, **Daisy Mayhew**, **Hannah Feben Smith** and **Lucy Ritson** as they head off to the Brecon Beacons for their silver and gold D of E expeditions on Speech Day! Meanwhile, **Eliza Reynolds** and **Daisy Holden Craufurd** have enrolled in silver.

Prue Barnes was confirmed earlier in the term by the Bishop of Lewes.

Anna Hasell was part of the winning team in the Year 10 Young Enterprise Day. Watch out for her!

Annika Niezold achieved Bronze level in the Year 11 French vocab competition. On a national level, **Daisy Holden Craufurd** achieved a silver medal in the biology competition. Finally **Clem Xu** achieved a merit in the European mathematical Kangaroo.

Georgia Yarnall won a HM commendation for participating in (and winning) the Eastbourne College election. As well as half colours in drama, she is also edging closer to raising £6000 for GOSH—this is a tremendous achievement.
