BOURNE BANDSTANT

## And finally...

All it remains for me to say is a BIG thank you to the outgoing Upper Sixth prefects for their enthusiasm and leadership over the past year. We also say goodbye to **Kelsey Schott** who returns to America, and **Claudine Sinnett** who will be tutoring in Craig. **Bea Lopez Salorio** returns to Spain, **Amelie Fritsch** and **Juliane Schuette** to Germany, **Arabella Batt** and **Izzy Webb** to pastures new for the sixth form and **Loveday Rowlands** to.....wait for it.... School House.

**Katharine Morton** marries Pip Canning over the summer, and we wish them much joy and happiness. Next term, **Hannah Perry** (teacher of chemistry and currently tutoring in School House) comes over to tutor in Nugent—more transfers than in the premier league.

Thank you, girls, for your joie de vivre. Thank you, parents, for your ongoing commitment to Nugent. I wish you all a wonderful and fulfilling summer break. Dream, believe, dare, do.

With best wishes, Vicky

## Summer Term 2019

Dear Parents,

The sun continues to shine gloriously! With exams now a dim and distant memory, we have enjoyed the finest that the summer term has to offer: tennis, CCF camps and promotions, Dell play, work experience, BBQs, beach fish and chips and a whole lot more. Highlights of the term include our cake sale, the senior girls WINNING the inter-house tennis, a truly breathtaking (it was rather windy) singer songwriter concert on the bandstand, and Sports Day yesterday where head of house, **Izzy McIntosh** was crowned *Victrix Ludorum* for the second year running.

## Performing Arts and charity

The term began with a sumptuous cake sale, and we raised over £300 for the victims of the Sri Lanka terrorist attack. Many thanks to all of you who made cakes - but the bake-off prize goes to **Rosie Wheatley** for her super chocolate cake! A few weeks later, **Zara Lawson Johnston, Daisy Holden Craufurd** and **Tilly Morgan** all waitressed at the St Wilfrid's charity lunch. I am always proud of the Nugent girls for giving their time so generously.

One of the highlights of the term has to be the singer songwriter concert on the bandstand (an Eastbourne College first) featuring grizzly veterans (Tom's words, not mine!) such as **Liv** and **Elo**, but also some new talent on the block, **Savannah Winston, Ella Parker** and **Willow McNulty**. The quality of the music was first rate, and what a place to make a debut! Please do buy a CD or download on Spotify. **Sasha Rozanov** passed grade 6 singing, and **Liv** and **Sapphyre Mills Kennelly** grade 8 piano, **Sapphyre** with merit.

**Georgie Ginbey** starred in the Year 10 drama scholars production - a thought provoking show about human trafficking. Ending the term on a much more jocular note, **Tilly Morgan** was brilliant once again in a cameo role in the Dell Play, taking on the role of the maid in a hilarious farce, directed by our very own Claudine Sinnett with **Georgia Hutcheon** as back stage manager.

## Sport

### 'Great things never come from comfort zones'

Many congratulations to **Izzy McIntosh** and **Annie Wilson** who were awarded full colours in tennis this term - and with that they complete their triple-stag, having already achieved full colours in hockey, netball and swimming. Is there such thing as a quadruple stag? Captain of tennis **Phoebe Watton** was also awarded full colours and **Charlotte Imbert** half colours.

There were some stand-out performances at the interhouse athletics yesterday - crowning glory goes to **Izzy McIntosh** for winning the Victrix Ludorum for her victories in hurdles and high jump for the second year running. Other gold medalists were **Rebekkah Agunede** - long jump and 100m, **Megan Moore** - 800m and high jump. **Abbie Coleman** - hurdles and triple jump, **Annie Wilson** - 1500m, **Kristina Duckett** - shot. And the Nugent relay team of **Bea Lopez Salorio, Abbie, Rebekkah, and Izzy.**

**Megan** and **Abbie** are also Sussex diamond league champions in the same events, and **Bea** the 800m Sussex diamond league champion.

Tennis remains strong in Nugent. We were WINNERS of both the senior competition (**Phoebe, Charlotte, Izzy and Annie**) and we came third in the juniors (**Amelie Fritsch, Savannah Wilson, Kristina Duckett and Ella Parker**). **Kristina** and **Bea** have acted as ball crew at the Nature Valley International tennis this week, and **Charlotte** has undertaken work experience there and even had the chance to interview Clare Balding! **Sasha Rozanov, Amelie Fritsch, Phoebe** and **Charlotte** continue to play tennis at the highest level, and fingers crossed for the upcoming national tournaments at Eton and Nottingham.

Nugent was the only girls house to put forward a golf team, and on a sunny June evening, **Kristina, Amelie** and **Georgia Hutcheon** took on the boys (as well as lots of photos) at the Royal Eastbourne Golf Club.

**Eliza Reynolds** has had an extraordinary year of sport and will be captain of both hockey and netball next year. In all my time at Nugent, we have never had the same girl to captain two major sports. Eliza is a fine example to us all.

## Matrons and Babies

I am sure that you will be as delighted as I was to hear that **Carla Whiddett Adams** gave birth to **Elsbeth** on 25 June. **Elsbeth** even put in an appearance at roll call at just one day old - Year 11s take note of such commitment. The girls were delighted to hold such a young baby and she really is adorable. **Carla** will be on maternity leave from lessons next term, but she will continue her magic as resident tutor.

Since she joined us in January to cover **Katies'** maternity leave, **Susan Edwards**

has really stolen the girls hearts. She has made a huge impact on the girls in Nugent, and we will miss her warmth, sense of humour and genuine care for the girls, as well as her delicious cakes. **Susan** goes to **Pennell** in September and **Katie** will be replaced by the current matron in School House, **Marina Davies**, with whom I have worked for many years and I know will continue **Susan's** excellent work.

## Mentioned in Dispatches....

**Sapphyre Mills Kennelly** WON the scholars essay competition with an essay on cryonics. If you want to know what cryonics are, please ask her (I have no idea!)

**Georgie Ginbey** was commended for a German translation organised by Oxford University. Both she and **Sapphyre** also gained Headmaster's commendations for their top Year 10 exam results.

**Clem Xu** gained a bronze medal in the physics Olympiad.

As well as gaining her silver DofE, **Eliza Reynolds** came third in the Eastbourne College photography competition. **Daisy Holden Craufurd** and **Zara Lawson Johnston** head off to the Brecon Beacons for their gold practice.

**Florence Ji** has gained an honorary academic scholarship. Along with **Charlotte Imbert**, she also came third in a national chemistry competition.
