

Reeves all about it

Summer Term Review

It has been an extremely busy 10 weeks of the summer term with lots going on inside and outside of the classroom. Year 11 and 13 have all worked hard during study leave and we hope to hear of good results come August. For the Year 11 and 13 boys, these were the first public examinations that they have sat, and they should be very proud of how they have conducted themselves throughout this period. The boys have really enjoyed all of

the house events this academic year, some have of course led to more success than others but what has been important for me is the willingness of the boys to be involved and want to represent the house no matter what the event might be. It was a great way to end the year by winning the House Sports Cup. The boys had their sights set on this achievement as we finished 2nd last year so it has been fantastic to see them perform so well at each of the different events this year with everyone being involved in some capacity it was a real house effort and one, I know they are collectively proud of. The Year 13 boys kept the trophy with them all of Saturday and wanted to take it to the Cornflower Ball. The Year 9, 10 and 12 pupils have also had a busy end to their academic year with internal assessments and the Year 12 should now be thinking about their plans for their personal statements. We have had the opportunity to socialise as a house with the house BBQ while the boys have also enjoyed heading out with their respective tutors for a meal in Eastbourne in the final two weeks of this term. It was great to see so many Reeves families on College Field during Speech Day and the Year 13 and their families also enjoyed a fantastic evening at the Cornflower Ball. We wish those leaving the house well for the future and look forward to welcoming new joiners in Year 9 and Year 12. I have tried my best to summarise a few key events this term but there are lots of photos that I could not include. I have included many of my photos from around the grounds [here](#) so that you can look at them further. I hope that you all have a fantastic summer and I look forward to seeing you all for the start of another busy academic year on 31 August. Matt

Key dates for Michaelmas Term 2023:

Wednesday 30 August

House open 10am-8pm
New pupils induction day

Thursday 31 August

First day of term for all pupils

Friday 22 September

Exeat begins at 14:35
U6 parents meeting 14:45

Friday 20 October

Half term
L6 parents meeting 14:45

Monday 6 November

Term resumes for All pupils

Saturday 18 November

Reeves House Concert

Friday 24 November

Exeat
Year 9 parents meeting 14:15

Friday 15 December

End of term 15:15
School carol service

Monday 8 January

Lent Term starts for ALL pupils

Academic

As the term draws to a close, we pause to think about those pupils that have sat their GCSE and A-level exams this summer. Most were sitting in public exams for the first time, including the Upper Sixth who suffered disruption to their learning during the pandemic. The Year 11 and Year 13 boys have all worked extremely hard throughout the course of this term and we wish them the best of luck as they prepare to pick up their results in August. Well done must also go to Louis Fisher (pictured, left) who read out the academic report at the end of term service on Friday 30 June.

In mathematics, almost 180 pupils took part in maths challenges this year, with over 120 receiving certificates. Fourteen qualified for

further rounds and four qualified for Olympiads. Karam Al Robaie achieved a distinction in British Mathematical Olympiad. In business and economics, eleven pupils in Year 12 completed their level 2 finance course, providing them with a practical and recognised financial qualification to add to their CVs and personal statements. Congratulations to Alex Weame. There were some excellent performances in the recent end-of-term exams for Years 9, 10 and 12 but special mentions go to those listed below who were the top performers in their respective year group in Reeves.

- | | | |
|------------|---------------|-------------------|
| 1. Year 9 | Hector Lawson | Average of 8.54/9 |
| 2. Year 10 | Tom Hoskinson | Average of 8/9 |
| 3. Year 12 | Isaac Ellwood | A* A A |

* Two reward points awarded for a Show HsM. 1 Point awarded for praise comments.

Best eRC Summer Term 2023

- Year 9 – Hector Lawson
- Year 10 – Tom Hoskinson
- Year 11 – Noah Titterton-Manos
- Year 12 – Isaac Ellwood

Subjects Prizes

Prizes have been awarded to the following Reeves boys who have performed at a very high level academically throughout the course of this academic year.

Freddie Timlin – Emily Hale Prize for the Outstanding Academic Performance in Year 9

Hector Lawson – French Year 9 Prize and the Greek Year 9 Achievement Prize

Aaden Wong – Year 9 Geography Prize and the Year 9 Greek Achievement Prize

Rowan Bell – Physical Education Year 10 Prize

Noah Titterton-Manos – Junior Drama Prize and the Junior Latin Prize

Alexander Maclaurin – Year 11 Pottery Prize

Reuben Mace – RA Henderson Junior Greek Prize

Isaac Ellwood – Baynes Lower Sixth Classical Civilisation Prize

Ewan Clark – Lower Sixth Design and Technology Prize

Karam Al-Robaie – Jubilee Prize for the Outstanding Academics Performance in Upper Sixth

Dylan Pearson – Broadley Prize for the Heads of School

Ptolemy Ridge – Ellis Firkins Senior Design and Technology Prize

Theo Bathard-Smith – Peter Copp Senior Prize for Spanish

Benjamin van Noort – Senior Business Prize

Tom Hoskinson - Headmaster's prize for all-round contribution

Will Liggett - Headmaster's prize for all-round contribution

Class Effort Prizes – ST 2023

Sport

The hard work during the winter nets paid off with many superb performances and results. Ben van Noort (pictured, left) was part of the 1st XI boys cricket team who have once again played some very exciting cricket with victories over Hurst, Brighton as well as Bede's to reach the Sussex Schools Langdale Final and finished as champions plus six victories from eight on Saturdays. Monty Dahms (pictured, below), Eddie Anderson, and Oliver Tutt all played their part in the 2nd XI who enjoyed a superb

season with ten wins from twelve and were crowned County 2nd XI Champions in a thrilling final off the last ball for the second consecutive year. A special mention must also go to Oliver Tutt who managed to secure six wickets in the 2nd XI's final game of the season against Kings Canterbury. Ben van Noort who achieved a five-wicket haul and Henry Hollands who hit back-to-back 50s.

Monty Dean and Henry Hollands were part of the U15As who won half of their matches and lost out in the semi-final of the county cup. The U15Bs and Cs plus all three U14 teams worked hard throughout the season and will be looking to continue to improve over the winter in readiness for next year and many of the boys spent the last week of the term in Framlingham at the end of term cricket tour.

The Tennis teams have had an outstanding summer term yet again and achieved some firsts. William Liggett and Dylan Pearson (pictured, below) were part of the U18 tennis team who finished in 2nd place at the County Championship. While there were many Reeves boys in Year 9 and 10 block fixtures with some Saturdays seeing all 25 College courts in action and over 100 boys and girls competin

At the end of this term and after many weeks of preparation Freddie Timlin, William Fellows and William Liggett were part of the ball crew for the Eastbourne International Tennis Tournament. Each one of the boys did a fantastic job and was awarded certificates and many autographs for all their efforts throughout the course of the week.

Sports colours have Been awarded to:	Sport
Oliver Tutt (half)	Golf
Dylan Pearson (Full)	Tennis
Will Liggett (Full)	Tennis
Ben van Noort (Full)	Cricket

The athletics team continue to go from strength to strength in the hugely successful Sussex schools diamond league and 22 athletes qualified for the Sussex Championships with some going through to the Nationals. Elliot Hibbert secured a bronze medal in the high jump competition while Barney Bathard-Smith secured the silver medal. Many of the boys who have been successful in the athletics team this season were also a key part of the house sports day team and further details of the results can be found further down the newsletter.

Other impressive achievements and highlights include the amazing success of the golf team reaching the national finals for only the

second time and finishing 12th nationally. Oliver Tutt (pictured, second from

the right above) has been involved in several fixtures for the team this season. Reuben Mace (pictured, above left) was part of the equestrian team who once again showed their skill and determination qualifying for the national finals in October for an impressive seventh consecutive year while Monty Dean (pictured below in blue) was part of the sailing team who was back in action once again on the seafront.

SPORTS DAY

The two tables that follow give details of all those who competed for the house and their position. Reeves finished in 1st place, and it was great to see the whole of the house getting involved and supporting each other. Well done to all those who volunteered to take part in the events listed below and of course extra congratulations to those that placed in their respective events. Due to the wet weather, we did have to curtail some of the events.

Cass Stallion lifting the house cup!

Creatives

It has also been another extremely busy term in music. Lots of the boys continue to attend their weekly instrumental and singing lessons and I hope they will be keen to participate in next term's house concert. Felix McAndrews (pictured, below left) and Hector Lawson (pictured, below right) recently performed in the Young Musician of the Year finals and Hector has recently been awarded his Trinity Rock and Pop Grade five with distinction on the drums.

Elliot Hibbert, Barney Bathard-Smith, William Fellows, Hector Lawson, and Felix McAndrew have been involved in numerous concerts throughout this term including the Summer Coronation Concert involving over 60 pupils and as part of the Jazz Band in the singer-songwriter concert on the final week of the term. At the end of this term, we were also treated to an iPad orchestra concert by the

Year 9 music pupils. Congratulations should also go to William Travers, Percy Cutler and Noah Titterton-Manos who have recently completed their LAMDA examinations.

Eric Wood, Kieran Clark, Monty Dean and Jonah Ripley have designed a house in partnership with Boutique Modern using ultra-efficient and green construction methods and green technologies that will be judged by the Eastbourne mayor at the EcoSchools event on July 8th. Oguz Karaca and Zizie Ndlovu have been part of EBCTV where our pupils have produced, edited, and performed two episodes of a brand-new drama series. The drama year concluded with a dazzling and innovative Year 12 production of Macbeth in the Dell, transferring to the Edinburgh Festival between the 22 and 25th of August. Well done to Zizie Ndlovu (pictured, right) who was involved in the performances in a very busy final week of term.

Services and social

At the end of the summer term Billy Curtis, Finlay Eadie, James Katz, Reuben Mace, Ed Olley, Noah Titterton-Manos and Oguz Karaca were preparing to go on their silver assessment in the Peak District. Across all award participants, we have clocked up a colossal 4355 hours of volunteering over the last year. Congratulations should

also go to Karam Al-Robaie (pictured, right) who travelled to Buckingham Palace to be presented with his Golf Duke of Edinburgh Award earlier in the summer term.

Reeves Lower Sixth have been carrying out a wide range of S@S activities this year. Isaac Ellwood, Alex Wearne, Isaac Ripley and Ewan Clark have been Mentors from the ESP homework club did a fantastic job helping pupils from local secondary schools with their GCSE maths revision, and this term they have also been helping our own College students

with their exam preparation. Oliver Tutt and Alex Farlam have been part of The Green Team which has been clearing an increasing amount of litter from the seafront as more people have been using the beach during the summer months, and the recyclers have expanded their collections. While Zizie Ndlovu and Charlie Jenden directed the Year 9 play earlier in the term.

In the CCF the Year 10 cadets have just returned from an enjoyable four days of training in the final week of this term. While Jonah Ripley, Kieran Clark and Eric Wood undertook a four-day residential with the RAF section.

It is also important to thank those boys who have represented the house in a variety of different roles this term. We thank Sebastian Pearson for his work on the charity committee. Oliver Tutt, Alex Wearne, and Finlay Eadie have been the house representative on the food committee while Zizie Ndlovu and Louis Poulton have been the house reps on the junior school council. We also thank Zeph Brown, Kieran Clark, Oguz Karaca, Zizie Ndlovu, William Liggett, Jacob Kremer, Cass Stallion, and Dylan Pearson who have been part of the house council this year.

Some pictures below of the tutor social events and house BBQ that have happened throughout the summer term.

Leavers and Thank You

It has been great that we have been able to have several social events to mark the leaving of the Year 13s (Some pictured, left) On the Friday before the end of term we headed out to mark the end of their time at the College and in Reeves with a curry. The Year 13 boys have been superb and hugely supportive. They have led by example and welcomed the younger boys into the House, helping to set the right inclusive, constructive, and friendly tone. They have been good company and we wish all of the leavers the best of luck with their future plans. Whether they have been with the house for the full five years or two each one of them has made their own significant contribution to the College and we wish them all the very best in their

future endeavours. This year we welcomed the boys and their families to a drink reception in the Reeves Garden before heading to the Cornflower Ball

As this academic year ends, we have now appointed Year 12 pupils to leadership positions for the next academic year. The details of these appointments are included further in the newsletter. I want to take this opportunity to thank Cass Stallion who has been exceptional in his role as Head of House. During a very busy year, Cass has worked hard alongside Will Liggett, Jacob Kremer, and Theo Bathard-Smith to keep the house running smoothly and to ensure that all the boys keep up to the high standards expected of them in all aspects of college life. They have worked tirelessly to ensure that house teams are well organised and that the boys are well-turned-out in-house kits at each house event, and this has resulted in a very successful year for the house. We also take this moment to acknowledge the incredible work that Dylan Pearson (pictured right, with Cass) has done this year in his role as

Head of School. He has given countless hours to leading the team of prefects and has been an ambassador for the College and Reeves at numerous functions this year. I hope that both boys can look back on their time in their roles with fondest but also with great pride with how they have performed in them.

Thank you as always to my excellent team of tutors who have been very supportive and played an integral role in a challenging yet successful year for the house.

A deserved mention and thank you should go to Kay (pictured, left) who continues to help maintain the fabric and cleanliness of Reeves. She should also be thanked for her cheerful and supportive influence on the boys. Kay has been outstanding and an unsung hero throughout my three years in charge. As I was the fourth Housemaster that she had inherited she has been an excellent sounding board for any new ideas or thoughts that I might have about the house. She frequently goes the extra mile for me and the house and for that, I am extremely grateful. She has been central to

some planning of house refurbishments and is always finding time to talk to the boys and support them as best as she can. Even making them toast! She has been invaluable, and I have enjoyed working with her throughout the course of this year.

We also pass on our best wishes to pupils in other year groups who are leaving the College and Reeves at the end of this academic year. Good luck to Tatika Dicker (R,10) who will be embarking on Year 11 studies at another school from September 2023. In Year 11 Billy Mannion (R,11) and Harrison Deller (R,11) have decided to leave the College at the end of this academic year to pursue alternative A-level subjects that the College do not offer. We wish all the boys the very best of luck for the future.

House Leadership Team 2023-24

Zizie Ndlovu
Head of House and Prefect

Charlie Jenden
Deputy Head of House

Ewan Clark
Deputy Head of House
