## Roll on Summer

Another strange term, but the last two weeks were fun.

It was so lovely to welcome the girls back in January, for one day! Still, they all managed digital learning really well and proof of this were the number of rewards that dropped into my inbox every day.

To keep them going, they had ‘The Great Escape’, all of the online sports activities, informal concerts and some house challenges. As usual many of the girls embraced all opportunities and excelled; participating wholeheartedly and doing Watt House proud. Well done and thank you girls.
