A minibus service for day pupils

Eastbourne College provides a return minibus service to the College on weekdays and a one-way service on Saturday mornings. The network consists of **12** routes and covers a radius of 30 miles. College minibuses cover all routes and are operated by fully trained and qualified drivers.

How the minibus service works

Mornings

All routes aim to deliver pupils to Eastbourne College by 8.15am Monday to Friday, and by 9.15am on a Saturday. Parents are encouraged to deliver pupils to their stops at least five minutes before departure times. All drivers follow the timetable as closely as possible and will not leave the stops before the stated time nor wait for latecomers.

Evenings

Buses in the evening depart from Eastbourne College at 6.00pm and 8.00pm, unless otherwise advised in advance. Pupils will be delivered to drop-off points as near as possible to listed times, subject to traffic delays. Once pupils leave the bus at their agreed stop, the bus will continue with its journey – parents are responsible for pupils from this point. Parents are to collect pupils if they cannot board the 8.00pm bus because of further involvement in school activities.

Saturdays

Buses will depart for the College approximately one hour later on Saturday mornings. There are no return buses on Saturday afternoons.

Shape of the weekend: bussing for boarders 2022–23

The new shape of the week allows our boarding community additional flexibility to spend time away from the school at weekends. A full enrichment programme and compulsory sports fixtures will still be on offer over the weekend, but if a boarder has completed their school commitments, they have the option of spending some or all of the weekend at home or with their guardian.

In order to aid families with this increased flexibility, the College provides minibus transport to some destinations over the weekend. Along with the extensive train network servicing Eastbourne, we are confident that our boarders will be able to get to and from school flexibly over the weekend.

Minibus service for boarding pupils

A selection of minibus drop-off and pick-up routes are offered across the weekend. Bookings must be made in advance and are subject to availability. At least one week’s notice must be given to book one of the routes below.

Bookings can be made for the full term but parents are asked to consult the White Book (school calendar) to ensure that bookings do not clash with compulsory school activities/fixtures.

Other routes are always under review and can be discussed with the bussing team via bussing@eastbourne-college.co.uk.

Rail network access to Eastbourne

The College is less than a ten-minute walk to the Eastbourne train station. Regular trains service areas to the west, east and north of Eastbourne.
