

Headmaster T N M Lawson

Post Graduate Sports Internship (tennis) 2024

Introduction

The College seeks to appoint an inspirational and energetic, Sports Graduate (tennis) from September 2024. The right person will have a marvellous opportunity to work in a stimulating environment where colleagues, pupils, resources and buildings all strengthen the process of teaching and learning.

The College

Eastbourne College Incorporated is the term for the combination of Eastbourne College and St. Andrew's Prep School. The two schools are run separately but are part of the same Charity and a single Board of Governors bears overall responsibility.

Eastbourne College is a co-educational HMC independent school of just over 630 pupils, of whom half are full-time boarders. It is a strong community with excellent links with local schools and the remarkable town in which it is located.

Academic standards are very high with an average of 85% of A-level grades being awarded A*, A or B in the last four years. At GCSE approximately two thirds of all grades awarded are A* or A. The College recruits from a wide ability range and value-added outcomes are exemplary. The majority of College leavers enter higher education in leading universities at home or abroad.

The College is run as a full boarding school with a six-day per week academic and co-curricular timetable. Day pupils share the same wide curriculum as boarders and enjoy equal access to the physical and human resources of the school.

We are proud of our rich cultural and sporting traditions. The modern Birley Centre is a hub of the performing arts and has a performance space ideal for debating events. There is also a school theatre that can hold a large audience, a drama studio space, and other spaces conducive to debating and public speaking workshops for smaller groups. College artists exhibit in London, actors have starred in film and TV; the Design & Technology (DT) department wins an extraordinary number of Arkwright scholarships. We have an enviable reputation for sport both regionally and nationally. Eastbournians frequently represent the county in hockey, rugby, cricket and netball; several old Eastbournians have gone on to achieve international honours. There are also thriving Combined Cadet Force, Duke of Edinburgh's Award scheme and Service at School (S@S) programmes.

Eastbourne College places great emphasis on the importance of developing a school in which education is built on core values and positive, supportive relationships. These central qualities will endure long after a student moves on from the College. The five key values of participation, the pursuit of excellence, integrity, courtesy and kindness are, it believes, the bedrock upon which every child's education should stand, providing them with the wherewithal to flourish both at school and beyond.

Tennis at Eastbourne College

Eastbourne College strives for all pupils to be instilled with a life-long love of sport and the positive values it encapsulates. The College aims to be a centre of sporting excellence in tennis in the area and nationally, measured through prominent appearances at county, regional and national level competitions and through creating opportunities for all pupils to enjoy learning and developing in the sport. The College has an advanced tennis programme and an all-year-round provision for players which includes one to ones, timetabled training sessions, a strong fixture card and support for LTA rating tennis tournaments. Over the last five years the College has enjoyed some of the most successful seasons in the school's history including being pre-seeded for the girls' national finals four years running; the boys reaching the national finals in the same year the girls A and B teams qualified; Sussex LTA Tennis School of the Year; and U16 and U18 boys and girls County titles in 2023; evidence that tennis is genuinely thriving.

Eastbourne College aims to be ever-more rooted in the local community and a key part of our sports development programme is to cultivate and reinforce links with our traditional feeder schools, local clubs and local primary schools. Not only does this play a vital part in promoting the College and recruiting pupils into the school, but it also plays a significant role in ensuring that the College is further embedded as an integral part of the remarkable town in which it is located. The sports grad (tennis) will work closely with the Head of Tennis and Performance Coach (Tennis) in building and fostering these links.

St Andrews Prep is the primary feeder school of the College and the Eastbourne charity and supporting the development of tennis at the grass roots level at St Andrew's Prep is part of the evolution of the role. It is expected that through working with St. Andrew's Prep, they will arrive at the College imbued with the passion and skills required to support our on-going sporting success within the parameters set out by the Director of Sport.

All members of Common Room are expected to make a full contribution to the co-curricular life of the school and many bring huge enthusiasm and skill to the coaching of sport in the College. Successfully supporting all staff, from former professionals to willing amateurs will be a key indicator of success in the role.

The College operates as a full boarding school, and it is expected that the successful candidate will make a contribution not just within tennis. The exact delineation of responsibilities will be determined by the specific strengths and skills of the person appointed.

Eastbourne College (Incorporated) is committed to the provision of equal opportunities in employment and accordingly wishes to ensure that no job applicant is treated less favourably on unjustifiable grounds.

Postscript

There are many attractions to working for Eastbourne College Incorporated, not least its location on the south coast in the sunniest part of the country.

The College is situated in an attractive part of a peaceful town with easy access to shops, local amenities and the South Downs National Park and the beach. The railway station is close, with easy travel to Gatwick (one hour) and London (under 90 minutes). The beach and sea are a five-minute walk away and the South Downs (the newest National Park) are on our doorstep.

The College is a strikingly happy, cohesive and coherent community.

We look forward to meeting you.
