

# GSMI: USER GUIDE FOR BOARDING PUPILS

All boarding pupils are required to register with the school doctor at the College Road surgery on an NHS basis. In order to register your child, the College Road surgery requires information in order to collect your child's medical records from their previous surgery. Your child will register with the school doctor from the date they start at the College.

Below is a guide on how to complete the GSMI form.  
Please be aware, completion of the form varies for different types of pupils.

Pupil type 1: UK-based pupils who are registered with a UK GP (this includes non-British nationals who live in the UK)

Pupil type 2: Overseas pupils arriving in the UK at the start of the Michaelmas term, who have never lived in the UK before

Pupil type 3: Overseas pupils arriving in the UK at the start of the Michaelmas term who have lived in the UK at some point and will have had a previous UK doctor.

## Instructions:

- 1** All pupils must complete title, surname, first names, date of birth, male / female, town and country of birth
- 2** Pupils type 1 and 3 must complete the 'NHS No.' section. Pupil type 2 does not need to complete this section
- 3** The 'home address' has been completed for you; (Eastbourne College, Old Wish Road, Eastbourne, East Sussex, BN21 4JY, 01323 452300).
- 4** Pupils type 1 and 3 must complete the 'Previous Medical Records' section detailing their previous UK doctors surgery contact details. Pupil type 2 does not need to complete this section. The 'Your Previous Address in UK' section must be filled out with your CURRENT UK address.
- 5** Pupil type 2 must complete 'Date arrived in the UK' section as Wednesday **28 August 2024**. Pupils type 1 and 3 do not need to complete this section
- 6** Signature and date required by parent/guardian for all pupils. No other information is required. The College Road Surgery will complete the remainder of the form. Thank you.
