

Reeves all about it

Summer Term Review

It has been an extremely busy ten weeks of the summer term with lots going on inside and outside the classroom. Years 11 and 13 have all worked hard during study leave, and we hope to hear good results in August. For the Year 11 boys, these were the first public examinations they had sat, and they should be very proud of how they had conducted themselves throughout this period. The boys have enjoyed all of the house events this academic

year; some have, of course, led to more success than others, but what has been important for me is the willingness of the boys to be involved and want to represent the house no matter what the event might be. Sadly, it was not to be this year, and the house had to settle for a 3rd place finish, but I know the boys are keen to reclaim their trophy. The Year 9, 10 and 12 pupils have also had a busy end to their academic year with internal assessments, and the Year 12 should now be thinking about their plans for their personal statements. We have had the opportunity to socialise as a house with the house BBQ and help demonstrate the strong relationships the boys have with each other across the year groups, and I know that many more house events are in the pipeline for next year. While it is also great to see success for the house, it is often the individual progress that each of the boys makes throughout the year that provides me with the greatest reward. There have been many ups and downs throughout the year, but the house is in a very strong position as we look forward to welcoming new joiners in Year 9 and Year 12. My huge thanks to the tutors for all their hard work this term. Between the speeches, outstanding music, Pimm's, picnics and the hot air balloon, it was great to see so many Reeves families on College Field during Speech Day, and I apologise if I did not get the chance to check in with you before the holidays. We wish those leaving the house well for the future and look forward to welcoming new joiners in Year 9 and Year 12. I have tried my best to summarise a few key events this term, but I could not include many photos. I hope you all have a fantastic summer, and I look forward to seeing you all at the start of another busy academic year on 29 August. Matt

Key dates for Michaelmas Term 2024:

Wednesday 28 August

House open 10am-8pm
New pupils induction day

Thursday 29 August

First day of term for all pupils

Friday 20 September

Exeat begins at 14:35
U6 parents meeting 14:45

Friday 18 October

Half term
L6 parents meeting 14:45

Monday 4 November

Term resumes for All pupils

Saturday 18 November

Reeves House Concert

Friday 22 November

Exeat
Year 9 parents meeting 14:15

Friday 13 December

End of term 15:45
School carol service

Monday 6 January

Lent Term starts for ALL pupils

Academic

The Year 11 and Year 13 boys have all worked extremely hard throughout this term, and we wish them the best of luck as they prepare to pick up their results in August. At the start of the term in physics, Caedmon Myeni achieved bronze awards in the Senior Physics Challenge, a difficult problem-solving competition run alongside the

Physics Olympiad. Caedmon also finished in 4th place in the Handcross Park School Debate competition. Congratulations to Olly Beaton, Reuben Mace and James Katz (pictured above), champions of the first-ever inter-house general knowledge quiz competition.

Matthew Crawley and Sebastian Pearson have achieved a significant milestone by passing their Chartered Institute for Securities & Investment qualification this term. Their dedication to studying for this professional qualification alongside their A-levels is commendable. In DT, Jonah Ripley's success in winning an Arkwright Scholarship, among 1532 applicants nationally, is truly remarkable. We eagerly anticipate his progress with the award in the sixth form.

There were some excellent performances in the recent end-of-term exams for Years 9, 10, and 12, but special mentions go to those listed below who were the top performers in their respective year groups in Reeves.

Year 9	Ralph Pavey	Average of 6.54/9
Year 10	Freddie Timlin and Hector Lawson	Average of 8.4/9
Year 12	Caedmon Myeni	A* A* A

* Two reward points awarded for a Show Hsm. 1 Point awarded for praise comments.

Praise marks Roll of honour – Summer Term 2024
Top 5 pupils in each year for this academic year*

Year 9	Year 10	Year 11	Year 12	Year 13
1. Justin Kelso - 61	1. Freddie Timlin - 81	1. Kieran Clark - 56	1. Caedmon Myeni - 48	1. Zizie Ndlovu - 21
2. Leo Wells - 60	2. Louis Poulton - 64	2. Rowan Bell - 43	2. Thomas Luccas - 27	2. Ewan Clark - 20
3. Ashe Tollett-Cooper - 56	3. Hector Lawson - 59	3. Tom Hoskinson - 38	3. Noah Titterton-Manos - 27	3. Isaac Ellwood - 16
4. Freddy Gibson - 51	4. Zeph Brown - 54	4. William Travers - 36	4. Sunny Wong - 24	4. Isaac Ripley - 16

Best eRC Summer Term 2024

Year 9 – Freddie Gibson
Year 10 – Hector Lawson
Year 11 – Tom Hoskinson
Year 12 – Oliver Beaton
Year 13 – Isaac Ripley

Most improved eRC

Year 9 – Leo Wells
Year 10 – Daniel Caroe
Year 11 – Monty Dean
Year 12 – Finlay Eadie
Year 13 – Ewan Clark

Subjects Prizes

Prizes have been awarded to the following Reeves boys who have performed at a very high level academically throughout the course of this academic year.

Eastbourne College Prize for the Outstanding Academic Performance in Year 10 – Hector Lawson

Chemistry Year 10 Prize – Freddie Timlin

Design and Technology Year 10 Prize – William Fellows

English Language Year 10 Prize – Freddie Timlin

Geography Year 10 Prize – Felix McAndrew

Greek Year 10 Prize – Freddie Timlin

History Year 10 Prize – Mark McKie

Religious Studies Year 10 Prize - Daniel Caroe

Baynes Lower Sixth Classical Civilisation Prize – Oliver Beaton

Lower Sixth Greek Prize – Reuben Mace

Lower Sixth Spanish Prize – Christopher Mallmann-Wettern

Archbishop Gregg Senior Classical Civilisation Prize – Isaac Ellwood

Headmaster's prize for all-round contribution - Barney Bathard-Smith

Headmaster's prize for all-round contribution - Ewan Clark

Class effort prizes: These prizes are awarded at the end of each academic year to pupils who show outstanding effort throughout the year in lessons. Details of those awarded a class effort prize are included in the table to the right-hand side.

Class Effort Prizes – ST 2023	
Year 9	
Josh Donoghue	Chemistry
Leo Wells	Music
Year 10	
William Fellows	Chemistry
Felix McAndrew	Music
Louis Poulton	Biology
Aaden Wong	Chemistry
Year 11	
Rowan Bell	Biology
Kieran Clark	Chemistry
Tom Hoskinson	English
Year 12	
Sunny Wong	Maths

Sport

Eddie Anderson (pictured, left) was part of the 1st XI boys cricket team, who have once again played some very exciting cricket with victories over King's, Bede's, Tonbridge and Whitgift, as well as reaching the semi-final of the Sussex Schools Langdale Final and the furthest the College has ever gotten in the national T20 in the regional final. He should also be congratulated for an impressive five-wicket haul (5-520). Henry Hollands was part of the 2nd XI that enjoyed a superb season with six wins from seven and just a 3-run loss to Tonbridge. Despite much of the season being disrupted by rain and opposition teams unable to raise 3rd and 4th XI teams, these two teams played great cricket when they could.

Hector Lawson, Mark McKie, Will Fellows and Vincent Martin were all part of the U15A cricket team, won half of their matches and reached the semi-final of the county cup.

Congratulations to a unique achievement by Harry Ansell and Teddy Dean (pictured, right), who were part of the U15Bs and put on a masterclass in winning close matches, all five of their fixtures, and a 100%-win record. This has only been achieved twice by any team in the last ten years alone. All three U14 teams worked hard throughout the season, showing great determination, and will be looking to improve over the winter in readiness for next year, as proved by this year's U15Bs, who only won twice last year.

Sports colours have Been awarded to:	Sport
Oliver Tutt (half)	Tennis
Eddie Anderson (Half)	Cricket

The athletics team continue to go from strength to strength in the hugely successful Sussex schools diamond league, and 17 athletes, including Justin Kelso, Elliot Hibbert and Barney Bathard-Smith, qualified for the Sussex championships, with some going through to the nationals. Congratulations to Justin Kelso (pictured, right), who won a silver medal in the junior boys shot putt. There were also many successes for the boys during sports day, and further details of these results can be found in the newsletter.

It has been another hugely busy season for the tennis teams, with many of the boys in action week in and week out. It was great to see many of the senior and junior boys regularly competing in Saturday fixtures and some using this time as a welcome break from strenuous revision programmes. We wish the best of luck to Freddie Timlin as he departed at the end of the summer term to represent the College.

It has again been another busy term for inter-house sport, with many of the boys in action representing the house. Sadly, we could not build on our success last year and finished in 3rd place in the house sports cup this year, but I know that the boys are keen to get their trophy back. The highlight of this term was a 1st place finish in house cricket for the Year 10 boys, a 3rd place finish for the house overall on sports day with some memorable

victories and the golf team of Teddy Dean, Henry Hollands and Seb Pearson finishing in 3rd place. As always, the boys showed a tremendous desire to represent the house at every event, and I am very grateful for their efforts this year.

The two tables that follow give details of all those who competed for the house and their positions. Reeves finished in third place, and it was great to see the whole of the house getting involved and supporting each other. Well done to all those who volunteered to take part in the events listed below, and of course, extra congratulations to those who placed in their respective events.

Event	Inter x I YII for each event	Place	Senior (Y12/13) x 2 pupils for each event	Place

Creatives

It has also been another extremely busy term in music. Lots of the boys continue to attend their weekly instrumental and singing lessons, and I hope they will be keen to participate in next term's house concert. Felix McAndrew, Hector Lawson and Sunny Wong participated in the Young Musician of the Year competition. Nima Sorooshian (pictured left) has achieved his grade 7 in the violin and the piano. Felix McAndrew achieved his grade 7 in piano, while Will Fellows achieved his grade 7 exam in the trumpet.

Elliot Hibbert, Barney Bathard-Smith, William Fellows, Hector Lawson,

Felix McAndrew, Justin Kelso, Sunny Wong, Christopher Mallmann-Wettem, and Billy Curtis have all contributed to these memorable events. The Year 9 music pupils also left us spellbound with their musical concert at the end of this term. Tom Hibbert, Elliot Hibbert, Enzo Mace, Reuben Mace, Hector Lawson, and Harry Ansell were among the performers at the Big School Band Night, a new event that saw 14 acts grace the stage in Big School, all in aid of St Mary's Meals.

This year's Dell play, *The Good Doctor*, has proved a hilarious hit. It features some highly skilled comic performances from the ludicrously talented cast, which includes Noah Gould, Noah Titterton-Manos, and Neffion Myles-Hall, all pictured below.

Services and social

At the end of the summer term, Percy Cutler, Billy Hart, Tom Hoskinson, Henry Hollands, Neffion Myles-Hall, Monty Dean, William Travers, George Rosin and Eric Wood were preparing to go on their silver DofE assessment in the Peak District. We also wished the best of luck to Christopher Mallmann-Wetter as he headed off to complete his Golf DofE practice in the Black Mountains.

Throughout this term, Christopher (pictured, right) has given several assemblies to year groups throughout the college, reminiscing about his time on the college's Africa conservation trip over the Easter holidays. Finlay Eadie, Reuben Mace and Noah Titterton-Manos recently completed their Silver DofE this term and were invited to the headmaster's garden to celebrate their achievements with a BBQ.

Reeves Lower Sixth have been carrying out a wide range of S@S activities this year. Olly Beatton, Noah Gould and Noah Titterton-

Manos were directors of the Year 9 house play.

Eddie Anderson, Seb Pearson and James Katz have been part of the College's Green Team. Ed Olley has supported the Year 9 pupils by running the cage football session on a Tuesday afternoon. Matthew Crawley has been assisting in the CCF stores. Thomas Lucas and Sunny Wong have received fantastic feedback for their outstanding care and support of the residents in the Chaseley Trust. At the same time, Reuben Mace has continued his excellent work as an editor in the Stag the College

Magazine. Noah Titterton-Manos and Ed Olley gave up the start of their half-term holidays to support the St Wilfrids Charity lunch at Saffrons Sports Park. The Year 9 boys participated in a beach clean alongside the Year 12 house prefects and new Wellbeing Whizzkids Hector Lawson and Elliot Hibbert. Year 12 (pictured above right) also enjoyed a house curry night.

A cross-house effort by Alex Chapman, Tom Stoner, Ben Davies, and Will Fellows (pictured, right) raised over £3,7000 for the cancer charity Race for Life.

In the CCF, the Year 10 cadets have just returned from an enjoyable four days of training in the final week of this term. Max Caines and Elliot Hibbert undertook a four-day residential with the RAF section. The Year 9 boys enjoyed a fun-filled three days off-site in the final week of term. A few others in the year group enjoyed a trip to the Amalfi Coast, and Enzo Mace took part in the U15 boys cricket week.

It is also important to thank those boys who have represented the house in various roles this term. We thank Sebastian Pearson for his work on the charity committee. Ewan Clark and Zeph Brown have been the house representative on the food committee, while Finlay Eadie and Louis Poulton have been the senior and junior school council house reps. George Rosin has taken on the new role of Wellbeing Whizzkid and has done a fantastic job, while Oliver Tutt was the peer mentor. We also thank Leo Wells, Zeph Brown, William Travers, Billy Curtis, Zizie Ndlovu, Ewan Clark and Charlie Jenden, who have been part of the House Council this year. Some pictures below of the tutor social events and house BBQ that have happened throughout the summer term.

The house came together to celebrate the end of term for our annual BBQ and five-a-side tournament. Further pictures are below. This year, we also organised a sweepstake for the Euros, which raised over £180 for the charity Man Up, which supports men's mental health. Congratulations to Ashe Tollett-Cooper, the winner of the sweepstake.

Leavers and Thank You

On the Friday before the end of term, we headed out to mark the end of the Year 13 boys' time at the College and in Reeves, where we made a trip to Boom Bar. The Year 13 boys have been superb and hugely supportive. They have led by example and welcomed the younger boys into the House, helping to set the right inclusive, constructive, and friendly tone. They have been good company, and we wish the leavers the best of luck with their plans. It is hard to believe these boys joined the House with me in September 2019. The picture above shows them at the start of their Reeves journey; whether they have been with the House for the full five years or two, each has made a significant contribution to the College, and we wish them all the best in their future endeavours. This year, we

welcomed the boys and their families to a drink reception in the Reeves Garden before heading to the Comflower Ball.

As this academic year ends, we have appointed Year 12 pupils to leadership positions for the next academic year. The details of these appointments are included further in the newsletter. I want to thank Zizie Ndlovu (pictured, right), who has been exceptional as Head of House. During a hectic year, Zizie has worked hard alongside Charlie Jenden and Ewan Clark to keep the house running smoothly and to ensure that all the boys keep up to the high standards expected of them in all aspects of college life. They have worked tirelessly to ensure that house teams are well-organised and that the boys are well-turned-out in-house kits at each house event, resulting in a very successful year for the house. Zizie's motivational speeches have become legendary, and I know that the boys will miss his wisdom, sense of humour and encouragement. The house was delighted to learn he was awarded the Le-Brocq prize during Speech Day—a worthy winner.

Thank you, as always, to my excellent team of tutors, who have been very supportive and played an integral role in a challenging yet successful year for the house.

A deserved mention and thank you should go to Kay (pictured, left), who continues to help maintain the fabric and cleanliness of Reeves. She should also be thanked for her cheerful and supportive influence on the boys. Kay has been outstanding and an unsung hero throughout my five years in charge. As I was the fourth Housemaster that she had inherited she has been an excellent sounding board for any new ideas or thoughts that I might have about the house. She frequently goes the extra mile for the boys and the house; I am incredibly grateful for that. She has been central to some planning of house refurbishments and is always finding time to talk to the boys and support them as best as she can. I know they appreciate her guidance. She has been invaluable and even manages to

keep the changing rooms clean.

We also pass on our best wishes to pupils in other year groups leaving the College and Reeves at the end of this academic year. Good luck to Zachary Hughes and Joshua Donoghue (R,9), who will embark on Year 10 studies at another school starting September 2024.

A picture of the Year 11 boys ahead of their first GCSE exam.

House Leadership Team 2024-25

Finlay Eadie
Head of House and Prefect

Caedmon Myeni
Deputy Head of House

Oliver Beaton
Deputy Head of House, Peer
Mentor

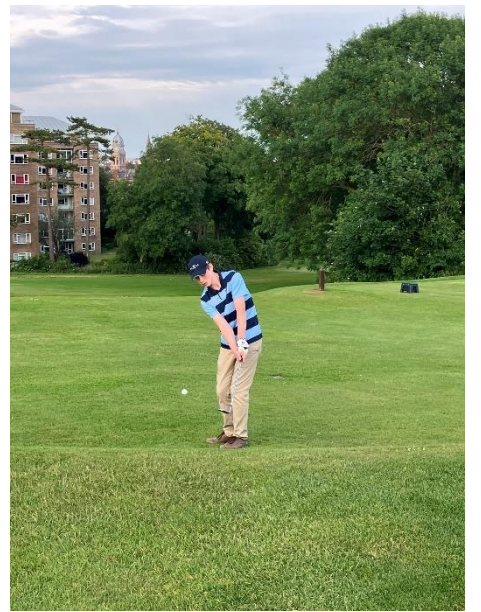

Noah Gould
Deputy Head of House and Prefect

The house was also delighted to learn that Noah Titterton-Manos (pictured, right) was recently appointed as Head of School. Noah will lead the team of prefects in the coming year, and I am confident that he will be a fantastic ambassador for the College and Reeves in his new role. It will undoubtedly be an extremely busy year for Noah, but we wish him and the rest of the team the very best for the upcoming academic year.
